Dear Prospective Member,

We welcome your interest in Woodstock Golf Club, founded in the spring of 1929. The club's facilities, including the golf course, have been routinely upgraded and modernized over the years, but their original charm has been carefully preserved. Our nine-hole par, 35 layout is widely considered one of the most attractive and challenging in the region, and we work hard to maintain it in peak condition. Recent improvements to the course include new & rebuilt greens, tees, bunkers, stone bridges, and repaved cart paths. Essentially, however, the course is the same on that the club's founders designed and constructed eight decades ago.

The course is elegantly situated at the intersection of Route 375 & Route 212, bordered by the Sawkill Creek, and nestled at the foot of Overlook Mountain, welcoming travelers to Woodstock. The magnificent course conditions and strategic challenge of a classic design compete with the natural beauty for your attention.

Apart from the course, the club's facilities include a fully stocked pro shop, men's & women's locker rooms and a full-service bar & restaurant with a deck overlooking the rushing waters of the Sawkill Creek.

For further information call us at 845 679-2914 or visit our web site at www.WoodstockGolf.com

Thank you for your interest and best wishes for a fulfilling season of golf.

Cordially,

Elizabeth Spinelli: President

John Rizza: General Manager

Darryl Jack: Golf Professional
