Golf Club

Come Golf In Peace

2011

Dear Applicant,

We welcome your interest in The Woodstock Golf Club, founded in the spring of 1929. The Club's facilities, including the golf course, have been routinely upgraded and modernized over the years, but the original charm has been carefully preserved. Our nine-hole, par-35 course is widely considered one of the most attractive and challenging in the region, and we work hard to maintain it in peak condition. The lay-out of our course was designed and constructed seven decades ago and provides a scenic, well-manicured challenge, rich with history and charm of days gone by. In addition to the course, the club's facilities include a fully stocked pro shop, men's and women's locker rooms, and the restaurant offers a full-service bar, sunroom and deck overlooking the rushing waters of the Sawkill Creek.

For further information about a Tournament or Golf Outing please call (845) 679-2914.

Thank you for your interest in having your outing at Woodstock Golf Club.

Cordially,
John Rizza
